Winneshiek County Celebration of Life, a not for profit organization, is dedicated to the health and well being of individuals in our area. Our mission is to promote awareness and early detection of disease through education and financial support of preventive and screening services. Through the generosity of local businesses, individuals and memorials, we are able to provide this grant program. Please nominate someone you may know, or even yourself, that could benefit from our program. Please complete the entire form.

To the best of my knowledge the nominee is: • In active treatment for cancer • and is either a resident of Winneshiek County, or his/her family doctor is located in Winneshiek County.

I understand that they may receive a one time \$300 value gasoline card and \$200 grocery card on a first come first serve basis.
